Relay for Life: Winter will soon be over, and it will be time for spring cleaning. On Saturday, June 1st, the Bunkertown Brethren Church Relay for Life team will be holding a yard/bake sale at the church. If there are any items you wish to donate for this fundraiser, please feel free to let Jason or Kim Stuck know and/or drop them off at the church any evening from May 29th-31st and place them in the Family Life Center. You do not need to price the items because we will be asking for people to pay through a monetary donation. We will be setting up for the yard sale after 5pm on May 29th-31st so if you wish to help any evening, please feel free to do so. We need help sorting through and organizing items. Any help on Saturday from 8am-3pm will also be greatly appreciated. The yard sale will end at 1pm; however, we will be donating any remaining items to the Labor of Love Thrift Store in Middleburg so we can use help packing these items. In previous years, this was a HUGE fundraiser for our team. We couldn't have done it without your help! All proceeds will go to help find a cure for cancer through the American Cancer Society.

We will be having a sandwich sale in April to help raise funds for the relay team. More details to follow. The Relay for Life event will be at Derry Township Park beginning on Saturday, June 8th at 10 am. We will be placing a sign-up sheet in the narthex of the church for anyone who is interested in walking. Relay for Life requires that we have a team member on the walking trail at all times during this event. Again, we appreciate your willingness in the past to help support the team through your physical and financial support. Our goal is to raise \$5000 this year. If you prefer not to walk, but would rather experience the activities that occur that day, please feel free to come visit us at Derry Township Park. We'd love to see you there!

Our Relay For Life team is having our annual sandwich, sub, and salad sale. There is an order sheet at the welcome center. If you are interested in selling for the team, please see Jason Stuck. There will also be a sign up sheet if you want to join the team.
